

# FOR DADS

Join a new group to support stay-at-home Dads in Park Slope

Stay-at-home fatherhood has its own unique joys and trials. This group, facilitated by a licensed clinical social worker and a licensed creative arts therapist, is a resource for getting support as you take care of yourself and your children. Learn about child development, discover new creative ways to interact with your kids, and rest at ease in a safe place to reveal the stresses and triumphs of your experience being a Dad.

## This Group Begins in March

The support group for stay-at-home Dads will meet every week on Monday mornings. The group will meet for eight weeks, with the potential to continue depending on the needs and desires of group members. Child care available.
