Summer Learning Pod

JUMPSTART YOUR CHILD'S ACADEMIC SKILLS THIS SUMMER!

Get your child ready for the next school year by enrolling them in a Brooklyn Letters Summer Learning Pod. A fun certified educator will lead each pod, offering a stimulating small group and one-to-one environment that will help prepare your child for the start of the new school year.

Elementary school-age children can participate in a variety of multi-sensory literacy and math activities. Our summer pod will be run, led, and taught by an experienced Brooklyn Letters literacy and math specialist. Pod groups will be between 3-5 students led by one certified NY State educator; these groups are morning focused on academics with interactive projects that focus on critical thinking. After lunchtime, there is a range of options such as Yoga or STEM--or even trips to the park! We'll also incorporate themes into our days, like superheroes and space travel!

Rates:

2 weeks costs are \$1800 per group of 5 children to \$2300 per group of 3 children. Price does not include meals, snacks, and transportation. There will be a small fee for educational supplies.
